Subject: URGENT FOR YOUR REVIEW: Specific cite section for Keith's briefing

---

Hi Dawn,

Here is the draft section on the site specific information. It would be helpful if I can get your comments ASAP.

I will send you the briefing agenda, once the briefing paper is finalized.

Thanks,

Bruni

PS. And yes, I did receive e-mails from the RPMs where you were not ccd. I appreciate your patience.

**OU3/West Van Buren WQARF Site and Roosevelt Irrigation District (RID):** (ADEQ agenda item)

- RID pumps contaminated groundwater in West Van Buren (WVB) and delivers the water for irrigation use.

- RID met with ADEQ in March claiming to be an injured party and proposed treating groundwater to MCLs in exchange for release from Superfund and WQARF liability.
- RID Proposed construction of treatment facility as an early action and coordinating remedy with ADEQ and EPA
- RID has requested a meeting with ADEQ and EPA management to discuss their proposal on May 18th.
